DISTRICT COURT CRIMINAL CASE PROCESSING	

AFFIDAVIT OF MICHAEL K. ROBINSON IN SUPPORT OF COMPLAINT

I. INTRODUCTION AND PERSONAL QUALIFICATIONS

I, Michael K. Robinson, being duly sworn, state as follows:

I am and have been a Special Agent of the United States Department of Justice, Drug Enforcement Administration (DEA) since June, 1997. I have received formal training at the Drug Enforcement Administration Basic Agent Training, Quantico, Virginia. The sixteen-week DEA Basic Academy included several hundred hours of comprehensive, formalized instruction in, but not limited to, basic narcotic investigations, drug identification, detection, interdiction, familiarization with United States narcotic laws, financial investigations and money laundering, identification and seizure of drug related assets, and undercover operations.

I have also completed a three-day money laundering course in San Jose, CA. This course included, but was not limited to, investigative techniques to detect structured bank account deposits, the use of dummy corporations to hide income, and methods traffickers use to commingle illegal proceeds with legal income.

Since August of 1997 I have been assigned to the DEA San Jose Resident Office. During this time, I have conducted or participated in more than 100 narcotics investigations, including conspiracies to distribute (21 U.S.C. § 846) LSD (Lysergic acid diethylamide) and the distribution of LSD (21 U.S.C. § 841).

I have spoken to, and worked with, more experienced federal, state, and municipal narcotics agents and officers. During the course of my employment as a DEA Special Agent, I have participated in numerous investigations of illicit drug trafficking organizations. These investigations have involved the use of confidential informants, wire and physical surveillance, telephone toll analysis, investigative interviews, and the service of search and arrest warrants. These investigations include the unlawful importation, possession with intent to distribute, and distribution of controlled substances, as well as the related laundering of monetary instruments, the conducting of monetary transactions involving the proceeds of specified unlawful activities,

1 and conspiracies associated with criminal narcotics offenses, in violation of Title 21, United
2 States Code, §§ 841(a)(1) and 846.

3 I have participated in over 100 controlled substance investigations and have personally
4 been involved in the arrest of over 70 persons for controlled substance offenses. I have attended
5 several training schools and seminars involving narcotics investigations.

6 I make this affidavit in support of a criminal complaint against David Behar, Lindsay
7 Hogue, Tara Bergstand, and John Lagace for a violation of Title 21, United States Code, §§
8 841(a)(1), 841(b)(1)(B)(v) and 846, conspiracy to possess with intent to distribute Lysergic Acid
9 Diethylamide (also known as LSD).

10 **II. FACTS SUPPORTING PROBABLE CAUSE**

11 The application for this complaint results from an investigation conducted by DEA agents
12 of an individual known as "Wavy Davy," later identified as David Louis Behar regarding the
13 distribution of lysergic acid diethylamide (LSD), in violation of 21 U.S.C. §§ 841(a)(1),
14 841(b)(1)(B)(v) and 846.

15 On November 28, 2007, DEA agents debriefed a Confidential Source (CS) regarding the
16 LSD trafficking activities of "Wavy Davy," later identified as David Louis Behar and hereafter
17 referred to as David Behar. The CS's criminal history consists of a misdemeanor conviction for
18 possession of a controlled substance, and a second degree burglary felony conviction for which
19 he is currently on state probation. The CS will receive financial compensation from the Drug
20 Enforcement Administration (DEA) for his participation in this event. The CS reported to the
21 DEA that David Behar distributes several types of controlled substances, including,
22 Dimethyltryptamine (DMT), a Schedule I Controlled Substance and a hallucinogenic. The CS
23 described DMT as an "orange goo." At the instruction of the DEA agents, the CS negotiated the
24 purchase of five (5) grams of LSD in crystal form for a third party -- a DEA agent acting in an
25 undercover capacity -- from David Behar for \$82,500.00 (\$16,500.00 per gram) on November
26 29, 2007. The CS later reported that David Behar informed the CS that David Behar was

1 currently in San Francisco, California, and would need to travel to Santa Cruz, California to pick
2 up the five (5) grams of LSD in crystal form.

3 On November 29, 2007, DEA agents met with the CS and witnessed a series of phone
4 calls between the CS and David Behar. During these calls, the CS was instructed by DEA agents
5 to meet David Behar at the Home Depot Store located at 480 E. Hamilton Ave., Campbell,
6 California, ostensibly to allow the undercover agent to meet Behar. This location was agreed
7 upon because the location was on the way to Santa Cruz.

8 At approximately 11:27 a.m., agents established surveillance in the area of the Home
9 Depot Store parking lot. At this time, an agent observed a blue Dodge 4-door, later determined
10 to be a rental car, arrive in the parking lot. The agent then observed the CS drive alone into the
11 parking lot. A surveillance agent observed the CS meet with the driver of the Dodge, David
12 Behar. Agents witnessed the CS provide Behar with a number of music compact discs and a
13 bottle. The CS also spoke with the passenger of the Dodge, later identified as Lindsay Robin
14 Hogue and the girlfriend of David Behar. (A small infant, Behar's daughter, was in the back seat
15 of the vehicle.) Then, Lindsay Hogue exited the Dodge and met with David Behar and the CS.
16 Minutes later, two agents, working in an undercover capacity, drove a vehicle to the meeting.
17 The CS introduced David Behar to these agents. The undercover agents shook hands with David
18 Behar. David Behar introduced Lindsay Hogue and his infant daughter to the agents. The
19 undercover agents spoke to the CS, David Behar, and Lindsay Hogue. The CS asked if the
20 undercover agent had anything to show David Behar. One of the agents showed a Starbucks
21 paper bag containing \$82,500.00 to David Behar. At this time, Lindsay Hogue was standing
22 within view of the undercover vehicle and in close proximity to David Behar. David Behar
23 viewed the \$82,500.00, and asked if the currency was all in one-hundred dollar denominations.
24 The undercover agent confirmed that it was. David Behar then said, "That should be eighty..."
25 The CS said "\$82,500.00." David Behar replied, "It's all good." David Behar then instructed the
26 CS to get a room. David Behar also said, "We'll get a room" and told the CS to follow him. The

1 CS told David Behar that he/she will get a room, and call David Behar later. The undercover
2 agents left the area as the CS walked to his/her vehicle. Soon thereafter, the CS departed the
3 area, and David Behar, Lindsay Hogue and the infant drove away in the Dodge, driving south on
4 Highway 17 toward Santa Cruz and followed by agents.

5 While driving, David Behar called the CS, who was en route to a hotel. David Behar
6 asked the CS how long the CS had known one of the agents because the agents looked "too
7 clean." David Behar told the CS that he, David Behar, would just go grab "it" and have "it" by
8 the time the CS checked into a room.

9 At approximately 12:28 p.m., agents witnessed the CS receive an incoming call.
10 Following the call, the CS reported that David Behar had called the CS to say that he was
11 stopping at a "buddy's" house twenty minutes away from Santa Cruz.

12 At approximately 12:53 p.m., agents observed the Dodge park in the driveway of 811
13 Smith Road, Watsonville, California. At approximately 1:15 p.m., agents observed the Dodge
14 depart the driveway.

15 At approximately 1:16 p.m., the CS received another phone call. Following the call, the
16 CS informed DEA agents that David Behar told the CS that they would meet at the prearranged
17 hotel, known to be the Hampton Inn located at 1505 Ocean Street, Santa, Cruz, California in
18 twenty minutes. David Behar told the CS, "It's all there."

19 At approximately, 1:23 p.m., the CS arrived at the Hampton Inn. At approximately 1:51
20 p.m., agents observed the Dodge, driven by Lindsay Hogue, turn into the parking lot of the
21 Hampton Inn. David Behar exited the passenger side of the Dodge, and called the CS. He then
22 entered the passenger side of the CS's vehicle. The CS asked if David Behar got "it," referring to
23 the five (5) grams of LSD. In response, David Behar removed a small tinted glass bottle from his
24 sweatshirt pocket. The CS saw "flakes" in the bottle, and then made the predetermined "bust
25 signal." Upon the approach of law enforcement vehicles, David Behar asked the CS if the cars
26 were police, and whether the CS was "setting [him] up." Agents moved in and arrested David
27
28

1 Behar. In searching David Behar, an agent removed the contents of David Behar's pockets onto
2 the pavement. David Behar then attempted to kick the aforementioned small tinted bottle under a
3 vehicle. Agents seized approximately \$5,500.00 U.S. Currency from the purse of Lindsay
4 Hogue.

5 At approximately 3:25 p.m., other agents observed a vehicle, driven by a female, leave
6 the residence at 811 Smith Road, Watsonville, California, and followed it. Agents observed the
7 vehicle drive in a manner consistent with counter-surveillance techniques, e.g. the agents
8 observed the vehicle stop on the side of the road, the two occupants looked around, apparently to
9 determine whether or not they were being followed, and quickly made a U-turn. The vehicle was
10 then stopped by agents, who identified the driver as Tara Bergstrand. Tara Bergstrand informed
11 the agents that she lived at the residence located at 811 Smith Road, Watsonville, California.
12 Agents found approximately \$900.00 on her person. In the center console of the vehicle, agents
13 located a document which appeared to be a record of monies paid out and owed in connection
14 with narcotics trafficking activities (a "pay/owe" sheet), reflecting amounts ranging from \$2,500
15 to \$11,200.00. Agents also located approximately \$1,300.00 on the person of the passenger,
16 identified as John Roger Lagace. John Lagace requested to retrieve a jacket from the trunk of the
17 vehicle. In the jacket, agents located another possible "pay/owe" sheet. John Lagace informed
18 the agents that he lived with various "friends," and had been visiting the residence of 811 Smith
19 Road, Watsonville, California, for "the last couple of weeks," but did not own that residence.
20 John Lagace stated that a "little while ago" a male, a female, and a baby had come to the house.

21 At approximately 5:20 p.m., agents, fearing the destruction of evidence, entered the
22 residence, which was "frozen" in anticipation of the authorizing of a search warrant. Upon entry
23 into the residence, agents detected a strong smell of Marijuana. In plain view, agents observed
24 one plate in the kitchen and two plates in a bedroom all with various colors of "orange goo"
25 (believed to be DMT) on them.

26 At approximately 9:40 p.m., agents obtained a search warrant from the Honorable United
27
28

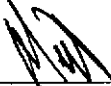

1 States Magistrate Judge Howard R. Lloyd authorizing the search of the residence located at 811
2 Smith Road, Watsonville, California, and duly searched the residence. They located marijuana in
3 various locations in the residence. In the closet of the master bedroom, where there was male
4 and female clothing, agents found a safe. Inside the safe, agents found a handwritten receipt
5 dated July 3, 2007, upon which was written "Received from Tara Bergstand \$3,900 security
6 deposit and \$2600 first month's rent for 811 Smith Road Watsonville, CA 95076 Tenancy to
7 start July 10, 2007." Agents also located documents in the name of John Lagace within the safe.
8 Agent further located approximately \$6,000.00 in one hundred dollar bills, approximately nine
9 (9) gold coins and approximately three (3) silver bars in the safe. Agent further located several
10 small glass bottles of similar shape, size, and color as the bottle that was seized earlier on
11 November 29, 2007, during a law enforcement "buy/bust" operation for five (5) grams of LSD,
12 which is currently being tested. Each bottle retrieved from the safe contained a substance
13 believed to be a controlled substance. Also located in the safe was a box containing a digital
14 scale and black tape similar to the black tape wrapped on the bottle seized during the buy/bust
15 operation on November 29, 2007.

16 Based on my training and experience, I am aware that LSD is a very dangerous substance,
17 and is usually sold and ingested after it is applied to paper for individual doses. In crystal form,
18 LSD is very potent. Typically one gram of crystal LSD can create approximately one thousand
19 individual paper doses. Due to the high potency of LSD in crystal form, I believe testing crystal
20 LSD in the field is unsafe. For this reason, the investigating agents did not conduct a field testing
21 of the crystal LSD. Based on the arranged sale for the purchase of LSD, and the representations
22 of Behar, I believe there is probable cause to believe that the seized substance is in fact crystal
23 LSD. The seized crystal LSD will be transported to the DEA Laboratory for testing by trained
24 DEA Chemists.

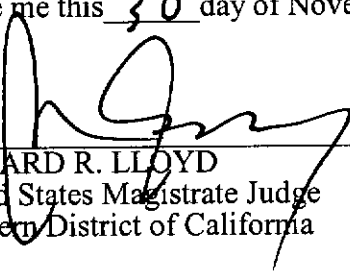

25 **III. CONCLUSION**

26 Based on the foregoing, I believe that there is probable cause to believe that David Behar,
27
28

1 Lindsay Hogue, Tara Bergstand, and John Lagace are each guilty of a violation of Title 21,
2 U.S.C., §§ 841(a)(1), 841(b)(1)(B)(v) and 846, conspiracy to possess with intent to distribute
3 Lysergic Acid Diethylamide (also known as LSD). I therefore request the issuance of a criminal
4 complaint against David Behar, Lindsay Hogue, Tara Bergstand, and John Lagace for this
5 offense.
